

“Now there are varieties of gifts, but the same Spirit. And there are varieties of ministries, and the same Lord. There are varieties of effects, but the same God who works all things in all persons. But to each one is given the manifestation of the Spirit for the common good.

1 Corinthians 12:4-7

Stewardship Ministry Team

Organized ministry at Grace Covenant is accomplished through the intentional involvement of the church body as its members willingly participate in a variety of focused ministry teams. The scope of each ministry team is defined by the leadership team and a team leader is selected based on giftedness, experience and confidence in the individual’s ability to lead. The ministry team is accountable to the leadership team. Please prayerfully consider the Lord’s leading you to be a member of this ministry team.
